RISE OF THE MODLITES!

Round 1 Sponsored by

 **Kenfrost Homes**
And Residential Estates

Welcome to Walsh's Auto Cairns Speedway as we get set for a cracking year of racing ahead in the 2026 season. Our opening night alone has over 60 cars nominated which shows how much each driver is ready to battle. You are in for an absolute show as we witness the rise of the modlites with a few home grown familiar faces that have jumped into the class. The juniors continue to build great numbers, the wingless are enjoying a massive resurgence these last few years thanks in huge part to Richie Robb. Modified sedans will be sharpening their reflexes ahead of a major 4 night event for the Northern Nationals. Formula 500s are in the house tonight and have a huge first round turnout. Our local sprintcar drivers are back after being active in the off season taking on the competition in the southern tracks recently and holding their own. Lastly the production sedans get the go ahead tonight and will be exciting to see.

As I look around this hallowed ground that to so many race car drivers is their happy place, I am proud to see so many changes take place over the off season and hope that you can join with me in acknowledging all of our volunteers donating their time, their machinery and their resources and connections to make this a better place than when we found it.

A big thanks to Kenfrost Homes for their support for the club and round 1 and I wish them success with their new White Rock Estate! Let's get this season started! Lets go racing!!
